MEMORANDUM FOR: Acting Deputy for Field Activities

SUBJECT: Notification of IDEALIST/ [REDACTED] Mission 25X1A2d1
Activities to [REDACTED] 25X1A9a

25X1A9a
1. Effective immediately, will you please alter your Control Center SOP's to reflect the fact that [REDACTED] is to be notified, either at the office or at home regardless of the time of day or night, on any mission involving the commitment of CIA operational U-2 assets of either the IDEALIST or [REDACTED] programs. He should be notified of the following events:

25X1A2d1

- a. Decision to alert.
- b. Go-no-go decision.
- c. Post strike report to include notification that the aircraft has landed, together with estimate of percentage of success as reflected in the PIREP.
- d. Any indication that the mission has either aborted, is reported over-due, has landed at an alternate airfield, or any other unusual occurrence of like nature.

2. Please advise me when this action has been completed, and furnish me with a copy of the SOP posted in the Control Center, as amended.
